

Cameron is an environmental graphic designer with a passion for creating clear, engaging wayfinding systems and large-format graphics. With a strong background in print production, vinyl plotting, and prepress, he enjoys bringing ideas to life from the initial proposal through final installation. Comfortable interpreting construction and architectural plans, he is also skilled in project estimating and client support. Cameron blends creativity and technical know-how to deliver polished, effective results.

Professional Experience:

American Window Film / Solar Art

ENVIRONMENTAL GRAPHIC DESIGNER
FEDERAL WAY, WA
AUG 2022 – PRESENT

Design large-format graphics, window films, and branding for commercial spaces and construction projects. Create elevations and layouts from architectural drawings and field measurements. Prepare print-ready files and coordinate production on UV, solvent, and vinyl platforms. Oversee client proofing, revisions, and final approvals to ensure project success.

Brower Tinting and Graphics

GRAPHIC ESTIMATOR & DESIGNER
RENTON, WA
OCT 2017 – AUG 2022

Developed detailed estimates, thorough proposals, and innovative design concepts customized for a wide range of construction and commercial clients. Managed all phases of each project, including setting and maintaining timelines, supervising production workflows, tracking progress, and coordinating installation logistics to ensure smooth execution and successful delivery of high-quality results.

Trade Marx Sign and Display Corp.

PRINTING & GRAPHIC SPECIALIST
SEATTLE, WA
APR 2017 – OCT 2017

Produced a wide range of custom graphics and signage solutions designed for commercial interiors and public spaces, ensuring each project met specific client goals and brand standards. Responsible for conducting all aspects of prepress setup, managing large-format printing processes, and overseeing finishing techniques to deliver high-quality results.

Fast Signs of Bellevue & Kirkland

GRAPHIC DESIGNER & PRODUCTION MANAGER
BELLEVUE, WA
NOV 2013 – FEB 2017

Led the design, production, and installation of a wide range of signage, vehicle graphics, and branded environments for diverse clients. Managed all print operations, including prepress setup, workflow, and thorough quality control to deliver high-impact, professional results.

FedEx Office

SIGN & GRAPHIC SPECIALIST
SEATTLE, WA
JAN 2009 – OCT 2013

Provided design, prepress, and production services for a wide range of business clients. Managed large-format print jobs, print operations, in-store display production and quality control.

Volunteer Work

Feral Cat Assistance & Trapping (F.C.A.T)

2017 – PRESENT

Assisted with the humane trapping and safe relocation of feral cats, provided attentive daily care and consistent socialization for foster animals, and actively supported successful adoption placements by carefully screening applicants and coordinating closely with various rescue organizations.

Whole Kat and Kaboodle

2022 – PRESENT

R.A.S.K.C

2020 – PRESENT
